Alternative Medical Council Calcutta in association with
INSTITUTE OF ALTERNATIVE MEDICINES & RESEARCH

Welcome to Kolkata!

This international conference will be a platform for conducting dialogue and sharing knowledge on not only the importance of Complementary & Alternative Medicines but also on research and development in the field for Complementary & Alternative Medicines. This will be an interesting and exciting conference to stimulate the interest in Complementary & Alternative Medicines for the better welfare of suffering humanity.

It is heartening to note that Medical Doctors, Medical Students, Parliamentarians and the influential personalities from various walks of life are showing keen interest in Complementary & Alternative Medical Therapies because this system takes care of the patient as a whole involving the body, mind and spirit. The Alternative Medical Council Calcutta is dedicated to exploring Complementary & Alternative Healing practices in the context of rigorous education, training, research & publications besides maintaining a strict code of ethics for the practitioners.

Scientific Sessions

You are invited to present paper(s) on your research work and conduct workshops. This conference provides a unique approach & an international platform for research workers, distinguished practitioners & institutional leaders to come together, share their experiences & exchange ideas on Holistic Health & Healing.
